This week long inservice series will support ELA teachers of **all skill levels** in their use of technology to enhance their CCSS practice. They will receive hands-on technology training geared to increasing student engagement and critical thinking related to CCSS. Previous attendees will dive deeper into and explore new digital strategies.

1. Teachers will receive technology training in:
 - Google Suite for Education
 - Screencasting, Music Videos, and Green Screens
 - Infographics as Cross-Curricular Evidence of Research
 - Multimedia Storytelling
 - Digital BreakoutEDU
 - Visual Thinking
 - and more!
2. Teachers will adapt these technologies to CCSS units within their classroom and receive CCSS tech-based units addressing:
 - Project-Based Learning (PBL)
 - Evidence-Based Writing
 - Process Writing
 - Student Reflection and Self-Assessment
 - and more!
3. Teachers will collaborate with other teachers at their grade levels in the institute.

Comments from previous attendees:

*"I was just so impressed with how you both turned something so scary for me into something interesting."
"Outstanding FUN workshop! Well-prepared, interactive...4 HOURS OF CONSTANT LEARNING."*
